Title of Audit Report	EU-ISCC-Cert-AT100-2021123456.pdf
Description / Remark of Auditor	Nachhaltig zertifiziert nach ISCC
Grid Injection	Yes
Tracking Claim	book and claim
QUALITATIVE DATA - Information on biomass and subs	strates
Biomass Coding Scheme	
Biomass Code	
Biomass Description	
Biomass Classification Description	
Original Biomass Description	
QUALITATIVE DATA - Information on Sustainability	
Sustainability Scheme Installation ID	AT2021-Testanlage1-XYZ
PoS created by	Zert Austria GmbH
Original Sustainability Certificate ID	EU-ISCC-Cert-AT100-2021123456
Sustainability Scheme Name	ISCC
Issuing Date of PoS	15.12.2020
Expiration Date of PoS	15.12.2021
Biomass Country of Origin	AT
GHG-emissions (gCO2equi/MJ)	15
Additional Information	
Proof of Sustainability	EU-ISCC-Cert-AT100-2021123456.pdf
Biomass Scheme Description of Sustainability Scheme	municipal organic waste

### Remarks by the Registry Operator

The Registry Operator merely confirms that the Biomethane Certificate with unique, current ID number BMN--012021--TESTFIRMA1-00407 existed and was cancelled at the time of issuing of this Cancellation Certificate. The Registry Operator does not confirm the correctness of data provided by Grid Operators, Registrants and Auditors to the Registry Operator on whose basis this Cancellation Certificate was issued. The Registry Operator cannot be made liable.

The Cancellation Certificate ID may be used to determine status and details of the respective Biomethane Certificate in the Biomethane Registry Austria upon request to the Registry Operator.

This Cancellation Certificate is only valid upon signature of at least two representatives of the Management Board of AGCS Gas Clearing and Settlement AG as Registry Operator of the Biomethane Registry Austria.

Clerks in Charge,

AGCS Gas Clearing and Settlement AG
